WORKS FOR YOUNG PEOPLE: Letitia

Letitia is 17 and started volunteering at Avon Club for Young People nearly two years ago. The club is supported by **Young Bristol** and based in Lawrence Weston.

She helped out at the club for nearly a year and did so well that she is now employed as an assistant youth worker and dance instructor.

Through the support that she received at Avon Club for Young People Letitia has gone on to get involved in other opportunities. In 2008 she was part of a group from **Young Bristol** who went to the Sonnenberg Youth Conference in Germany.

Letitia is passionate about being involved in her community and supporting the people around her. She is involved in the Lawrence Weston Youth Forum, the Neighbourhood Partnership Young Action group, the young people's PACT (Police and Community Together) meeting and also volunteers to support young people at the Juicy Blitz Project.

In February 2009 Letitia stood in the elections for the Bristol Youth Parliament. She was successfully voted in and is now

the Member of the United Kingdom Youth Parliament for North Bristol. In this role she represents the views of young people who live in the north of the city working with deputies and a youth select committee.

“...I enjoy what I do, I love working with young people and I feel I relate to all generations and all types of people. I have gained loads of experience and information on other people’s experiences...”
